Tunbridge Wells Primary Schools Netball Academy

Netball is a fantastic sport played by over 155,000 people every week, it is a sport where girls can make friends and have fun whilst maintaining a healthy active lifestyle. A fast, skillful team game based on running, jumping, throwing and catching it is the only female sport to be given weekly TV coverage by Sky Sports.

Netball is the fastest growing sport in England and we'd like to get even more young people playing the game. We recognise that schools give many girls & boys their first experience of netball and we'd like to support teachers to deliver an experience that will keep them in the game for life.

At mSPORTi Netball we want to help schools to deliver quality curricular, extra-curricular and competitive netball opportunities for all pupils who love netball. We aim to support the links between our clubs, leagues and schools to ensure pupils can continue their netball participation into a community setting.

The Netball Academy will take place every Wednesday 5-6pm at the TN2 Sports Hall.

Start date Wednesday 28th February 2018

Ages: Girls and Boys aged 7yrs old - 11yrs old (School Yr3 - Schools Yr6 KS2)
