Monitoring and review, putting policy into practice

- The named Governor for bullying will report on a regular basis to the governing body on incidents of bullying and outcomes.
- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.

Ethos

At Claremont, we aim to create a school in which:

- Children feel valued, safe and secure
- Everyone can succeed
- There is an ethos of tolerance, understanding and respect for others
- We take responsibility for our choices and behaviour

There is no place for bullying in our school. We are committed to developing an anti-bullying culture where bullying of adults or children will not be tolerated. This policy outlines what Claremont Primary School will do to prevent and tackle all forms of bullying.

This policy is based on DfE guidance "Preventing and Tackling Bullying. Advice for headteachers, staff and governing bodies" and supporting documents "Supporting children and young people who are bullied: advice for schools", "Cyberbullying: advice for headteachers and school staff", "Advice for parents and carers on cyberbullying" November 2014. It also takes into account the DfE statutory guidance, "Keeping Children Safe in Education" 2016.

Our school

- Discusses, monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports all members of staff to promote positive relationships to prevent bullying.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Reports back to parents/carers regarding concerns on bullying, and deals promptly with complaints.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

Definition of bullying

Bullying is "Behaviour by an individual or a group, usually repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", November 2014)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, Instant Messenger, through websites, social media sites and apps, and sending offensive or degrading imagery by mobile phone or via the internet.

Forms of bullying covered by this Policy

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion or culture.
- Bullying related to SEND (Special Educational Needs or Disability).
- Bullying related to appearance or physical/mental health conditions.
- Bullying related to sexual orientation (homophobic bullying).
- Bullying of young carers, children in care or otherwise related to home circumstances.
- Sexist, sexual and transphobic bullying.
- Bullying via technology, known as online or cyberbullying.

Preventing bullying

The school will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others which will be upheld by all.
- Work with staff and outside agencies to identify all forms of prejudice-driven bullying.
- Actively provide systematic opportunities to develop pupils' social and emotional skills, including their resilience.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Challenge practice which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Consider all opportunities for addressing bullying in all forms throughout the curriculum and supported with a range of approaches such as through displays, assemblies, peer support and the school council.
- Regularly update and evaluate our approaches to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Train all staff to identify all forms of bullying, follow the school policy and procedures (including recording and reporting incidents).
- Proactively gather and record concerns and intelligence about bullying incidents and issues so as to effectively develop strategies to prevent bullying from occurring.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the school's attention which involves or affects pupils even when they are not on school premises, for example when using school transport or online etc.
- Actively create "safe spaces" for vulnerable children and young people. This may be through the use of Play Leaders, lunch clubs or designated "quiet areas" in the playground.
- Use a variety of techniques to resolve the issues between those who bully and those who have been bullied.
- Work with other agencies and the wider school community to prevent and tackle concerns.
- Celebrate success and achievements to promote and build a positive school ethos.
- Be encouraged to use technology, especially mobile phones and social media positively and responsibly.

Dealing with Bullying Incidents

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached. Any behaviour incident that is found not to be bullying under the definition provided above will be dealt with within the school's behaviour policy.
- A clear and precise account of the incident will be recorded and given a member of the SLT.
- A senior staff member will interview all parties involved and will record the incident in accordance with school procedures.
- Teachers and other relevant members of staff will be kept informed as appropriate.
- When responding to cyberbullying concerns, the school will take all available steps to identify the bully, including looking at the school systems, identifying and interviewing possible witnesses, and contacting the service provider and the police, if necessary.
- If content posted online is offensive or inappropriate, and the person or people responsible are known, then the school will ensure that person responsible understands why the material is unacceptable or offensive and will request that they remove it.
- If a criminal offence has been committed then the police will need to be involved to enable the service provider to look into the data of another user or to respond to credible threats of harm.

- Parents/carers of all children involved will be kept informed.
- Sanctions will be used as appropriate and in consultation with all parties concerned in line with the school's Behaviour for Learning policy.
