

# SAFE RETURN TO SCHOOL

To put your mind at ease we have...

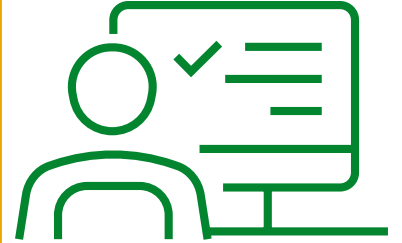

## CONDUCTED

a re-opening  
risk assessment

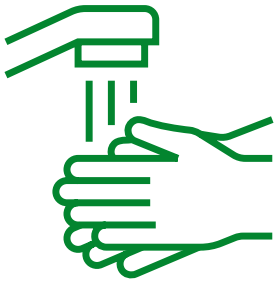

## AGREED

a local plan with  
school management

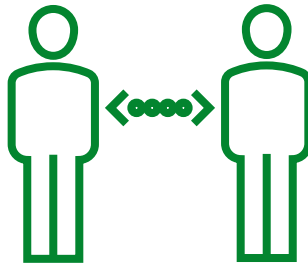

## DELIVERED

Covid-19 safety training  
for the team

## INCREASED

hygiene measures, providing  
PPE, enhanced handwashing  
& extra cleaning

## INTRODUCED

social distancing in the  
kitchen, servery & food  
collection areas

## REMOVED

self-service food counters to  
reduce risk of contamination

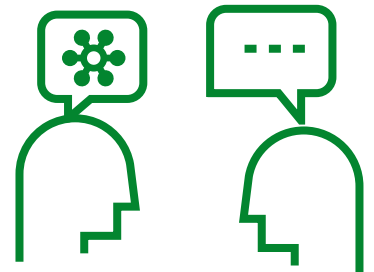

## INTRODUCED

disposable cutlery (trying to  
be environmentally friendly  
when possible!)

## AGREED

a plan for receiving school  
meals without mixing  
social bubbles

## SET UP

regular team briefings to  
provide important updates  
on safety compliance
