

CLAREMONT PRIMARY SCHOOL

NEWSLETTER FOR WEEK ENDING 25th January 2019

Whole School

Governors' Impact Statement

The governors have published our annual Impact Statement document, which details and reviews our work for the last academic year, 2017-18. It can be found in the [governor section of the school website](#). Please do take a few minutes to read it and see the governors' roles and work over the year.

If you have any questions about the detail in the report, please email clerk@claremont.kent.sch.uk.

Dr Carla van der Zanden, Chair of Governors.

World Book Day

We will be celebrating World Book Day on Thursday 7th March by coming in to school dressed as a literary character. Please don't spend hours on a costume but we wanted to give you lots of warning!

The kitchen will be providing a special menu to celebrate the day. Please see the flyer attached to this newsletter.

As part of the **Claremont Chronicle**, the junior journalists are writing features on "People who are important to us". The children are interviewing some members of staff in school as well as people who are in important roles in our community.

We would love to find a vet to interview. If you are a vet, or know someone who is, and would be willing to give us some time to be interviewed about your job, please contact us via email or via Mrs Wilsher directly at school.

Science Week and International Day of Women and Girls in Science

Do you have experience of working in a sector focused on science, technology, engineering or maths?

To celebrate and promote science, we will be celebrating Science week with activities and workshops from 11th to 15th March and would welcome parental support. Please contact Mr Care via the school office if you would like to contribute.

In addition, we will be holding a Women in Science day. If you are a woman working in any of the above areas and are able to help, please contact Margherita (Year 1 parent) who has offered to coordinate the day at marghe.mar@gmail.com

Year 6

Year 6 RE

This term, Year 6 are exploring 'What difference does it make to believe in Ahimsa (harmlessness) (Hinduism), Grace (the generosity of God) (Christianity), and Ummah (community) (Muslim)?' within the Kent Scheme of work. To support the discussions further, we have invited Rev Tim Humphrey into school on Thursday 7th February for the afternoon to do a short workshop with each class, covering the concept of Grace from a Christian point of view. Please feel free to speak to your child's class teacher if you need to discuss this further. It will be an interesting afternoon for the pupils so please do ask them about it.

Just a reminder that the second instalment for the **Isle of Wight** trip was due on 4th January and the third is due on 1st February. Please pay via the School Gateway system.

Many Thanks
The Year 6 Team
