

CLAREMONT PRIMARY SCHOOL

NEWSLETTER FOR WEEK ENDING 10th May 2019

Whole School

As a community primary school, Claremont has a diverse group of children with wide and differing needs. Many children will have times in their Claremont journey when they will need additional social, emotional, behavioural or academic support. We are an inclusive school which is committed to offering this support whether it is needed in the short or long term.

The complex issues that children are facing may sometimes result in challenging behaviour. We work closely with families, teachers and outside agencies to offer all the support that is needed.

In this context, if your child has a difficulty with the behaviour of another child in their class during the school day, can we please ask you to **discuss this with the school and not the other child's parents on the playground**. It may be that there are additional factors that are contributing to the child's behaviour that you are not aware of and which we are working to support and challenge.

Thank you for your understanding in this matter.

Mrs Crockett

In addition, please could we remind you to park considerately, particularly along Farmcombe Road, and to avoid parking across driveways. You can only park up to the start of the drop kerb.

Please could you also refrain from knocking on residents' doors to complain if a note has been left on your windscreen. We received a call this week from a resident who was considerably upset by the attitude of one of our parents.

Help! We are on the look out for a stainless steel sink and any stainless steel saucepans of different sizes. If you are getting rid of any, we would be grateful if you would consider donating them to us. Thank you.

Mrs. Bird, Reception Classes

Please see the attached flyer for the **Superhero menu for next Thursday 16th May**. This is School Census day and we hope that as many children as possible will have a school dinner that day.

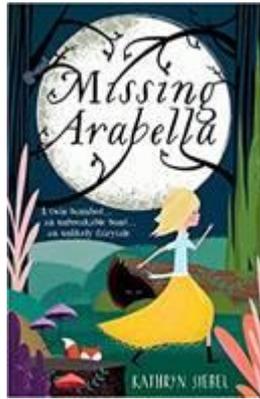

Year 6 will be sitting their SATs exams over the next week, commencing 13th May. If you normally change books in the morning, we would greatly appreciate it if you could do this during the afternoon that week instead as the exams take place in the classroom next to the books.

Thank you in advance for your help in this matter.

The Year 6 Team

Acer

Acer's book of the week

This week's recommended book is...

'Missing Arabella' by Kathryn Siebel.

This book was recommended by Lilian Orton-Jay. Lilian has loved reading this book and has described it as 'a brilliant fairy-tale with lots of ups and downs'. The text follows two separated twins and their journey to reunite. Lilian has rated this book 10/10 and would recommend it to readers who enjoy books with lots of twists and turns!

Diary Dates
