

# CLAREMONT PRIMARY SCHOOL

NEWSLETTER FOR WEEK ENDING 3<sup>rd</sup> May 2019

## Whole School

On Monday 29<sup>th</sup> April 2019, five parents lead two superb assemblies for the children of Claremont on their careers in science. The assemblies were both inspiring and engaging. Thank you so much for all of your hard work!

### School Dinner money payments

In order to limit our outgoing costs, we have decided to stop using automated text alerts to parents about deficit accounts.

We ask that you assist us with this by monitoring your child's dinner money account on a regular basis to ensure that there is enough money available for future meals and that you do not allow the account to go into debt. As a school we are not able to be in debt to the catering provider and thus need your support in keeping your accounts in credit.

We appreciate your assistance with this.

Tunbridge Wells Library will soon be moving to temporary premises so that work can begin on The Amelia - an exciting new building combining the library, museum and other partners in one location. During the work, the library will be relocating to temporary premises in the nearby Royal Victoria Place shopping centre.

The library will close on Monday 3 June and will reopen in Royal Victoria Place on Monday 24 June. The library will be situated on the lower level, opposite Fenwicks and Muffin Break.

During the three-week moving period we will extend the opening hours of Showfields & Southborough Libraries.

- Showfields library, Showfields Road, Tunbridge Wells TN2 5PR
- Southborough library, Yew Tree Road, Southborough TN4 0BA

Opening hours information and contact details for all Tunbridge Wells District Libraries can be found on our website at [www.kent.gov.uk/libraries](http://www.kent.gov.uk/libraries) or by telephoning 03000 413131.

## Football Tournament

On Wednesday, a number of girls competed in a local football tournament. For some, this was the first time they had represented the school in football and all had a great time. The girls from Y1 and Y2 played 4-a-side matches, the Y3 / 4 team played 5-a-side while the Y5 played 7-a-side. During the event, the children met and gained valuable tips from Charlton Athletic Women's goalkeeper Katie Startup. Incredibly, all the teams finished second in their respective leagues. A big thank you to all the parents who helped and came to support.
