

A hub of educational excellence and innovation, supporting and valuing everyone

Claremont Primary School Newsletter 16 July 2021

Hello everyone

What an exciting week; the suspense is over and everyone knows who their new teacher is and has had time with them. Parents have had an opportunity to join the teachers virtually as well. All of the adults had a fantastic time with the children, and were brilliant doing a couple of extra cleans so that the children were actually able to go to their new classroom. It was a great morning, full of energy and excitement.

Also, today you will be receiving your child's school report (unless you have had alternative notification of receipt), it was an absolute pleasure to read through all of them and see not only their teachers' comments, but the children's too. The children never fail to inspire me with words. They were full of positivity and success in a year when we have been recovering from time away from school. Thank you for your part in their learning journey this year.

Year 6 have spent the week rehearsing- and they were very excited to show their performance (via teams) to the whole school today. It sounds fantastic- I can't wait to see it!

Some of them have also been taking part in Bikeability- to see them cycling up Banner Farm Road is great- I'm not sure I could do it!!

Have a good weekend and best wishes

Mrs Candi Roberts and the brilliant Claremont Team

School Closes for the summer break on Wednesday 21st July at 2pm

Year 5 have taken part in a glass workshop to finish off our Create term with Claudia Wiegand who has worked with glass for many years. They chose their shape and colour and then used a canvas to create their design. Claudia took all the designs and then re-fired the glass pieces so that they moulded over the children's designs. The final pieces are absolutely stunning and will look amazing hanging in everyone's home.
