

A hub of educational excellence and innovation, supporting and valuing everyone

Claremont Primary School
Newsletter 17 September 2021

Good afternoon

I hope you are all well and getting into the swing of the new old!

Another successful week of learning has taken place. It has been great to see the children engaging in morning and afterschool clubs, and enjoying these activities, as well as seeing them during the school day. Music lessons have also resumed.

We have really appreciated your support and diligence with regards to covid 19. It is a challenging time for people, and we hope you stay well. For those who might be poorly, we wish you a speedy recovery. As you will be aware, remote learning is in place for all those well enough to take part.

As we are always reviewing our provision, we would very much like to gather a register of interest about the need for a breakfast club; please find a link to a survey. If this is something you do not need to support your working life, please still access the survey and just please answer 'no' to question 1. This will end the survey for you. If you press yes, there will be some additional questions for you to answer. Many thanks

Keep safe and well this weekend

Best wishes

Please keep an eye on the calendar on the school website for upcoming events. We aim to add any updates on a weekly basis.

It is our intention to go ahead with family events in the year ahead with the caveat that things may be cancelled at short notice, depending on COVID numbers at the time.

Curriculum Newsletters

This term's curriculum newsletters are now on the website and you will be able to see what your child will be learning in the 'Discover' term. Select the 'Children and Learning' tab at the top of the page and then select 'Claremont – Our Curriculum'.
