

At Claremont we are fortunate to have Mrs Clare Smith as our SENCo and a specialist team of Teaching Partners with expertise in delivering support to help pupils achieve their full potential. In addition, the SEN Governor, Dr Carla van der Zanden has a role in ensuring pupils with SEN get the help they need to access the curriculum and to participate fully in the life of the school. The SEN governor, is the link between the governing body and the school in relation to pupils with SEN, and other vulnerable groups, and meets regularly with the Senco.
