## **Claremont Primary School**

As a national teaching school, Claremont Primary school is happy to offer the following programmes of school to school support through the deployment of our Senior Leaders of Education (SLE) and Leadership Consultant.

### **SLE support – Primary Mathematics/ Leadership of Curriculum.**

**Candi Roberts** is a Headteacher who has worked in educational settings for 22 years spanning EYFS to Year 6. She is highly effective in raising teaching and learning standards. Candi is a regular facilitator for LLSE on the NPQML courses; and has provided support, coaching and mentoring for Subject leads across Tunbridge Wells as part of the SSIF Maths Project.

Candi is also a lead facilitator on the newly commissioned DfE SSIF RSHE, and works alongside previous NLEs.

She is passionate about ensuring school improvement is a collaboration based on real starting points, using data positively but constructively to provide support. She works alongside colleagues to build capacity to empower and build a sustainable provision.

Candi has completed the MaST program and has accreditation by NCETM as a Professional Development Lead. As an SLE the outreach work Candi has been involved in: -

- delivering pupil/ staff days in two London Academies, developing strategies for working at a higher level;
- creating a framework curriculum with their 'Maths Team' to support a large MAT with 63 academies;
- spoken at an Academy's National Maths Conference around creating a calculation policy;
- developing a DfE SSIF Maths package to support 32 primary schools
- School to school support to raise attainment for PPG groups, delivered bespoke staff training and providing coaching for maths subject leads.

Cost payable to Claremont Primary:

1 days support (9am to 4pm)

£350.00

½ day support (either 9am to 12.30pm or 12.30pm to 4pm)

£175.00

### **SLE support – English and Assessment**

**Jenny James** is a highly experienced assistant headteacher, with specialisms in Primary English and Assessment. She was responsible for setting up a robust and accurate assessment system, to assess against the new Primary Curriculum in reading, writing, GPS and maths. With several years' experience in teaching Year 6, she has an in-depth understanding of the requirements of the curriculum through the whole of the primary age range (including SATs). Jenny is able to offer support with the teaching and assessment of writing, reading and GPS (including spelling). She also has experience of setting up Accelerated Reader and running a library. In addition, Jenny is also a Mathematics Specialist Teacher (MaST).

Cost payable to Claremont Primary:

1 days support (9am to 4pm)

£350.00

½ day support (either 9am to 12.30pm or 12.30pm to 4pm)

£175.00

### **SLE support – School Business Management**

**Julie Cook** is a highly experienced school business manager who has worked in educational settings for over 18 years; holding both the certificate and diploma in school business management (CSBM and DSBM). Julie has worked to support both Local Authority schools and academies across all areas of business management and is dedicated in empowering the administrative teams to ensure business continuity is possible once the support is completed. Her supportive role works to ensure that the assets of the school are used to maximum affect to ensure outcomes for pupils are as good as they can be.

Julie is able to support in all areas of school business:

- Financial management
- HR management
- Premises management
- Risk management
- Health & Safety

Cost payable to Claremont Primary:

1 days support (9am to 4pm)

£350.00

½ day support (either 9am to 12.30pm or 12.30pm to 4pm)
