

*I was co-opted onto the governing body in September 2023, motivated to have a positive impact on the children and young people in the Tunbridge Wells area.*

*My current job is within the marketing team of the law firm Allen & Overy, managing the client feedback program. Previously I held roles in local government and the NHS across Kent. I coached rugby for over eight years, including some after school clubs, and really enjoyed working with young people to play a small role in their personal and athletic development. I also enjoy cooking, wine tasting and being a very slow but regular runner.*

*I love my local area and want to use the skills and experiences I have acquired to support the staff, teachers, pupils at Claremont.*
